Replacing the current Supplemental and Plant Facilities Levies

The current supplemental levy and current plant facilities levy are expiring. These levies are replacement levies. They will not increase your taxes.

**Supplemental Levy = $1,500,000.00 per year for 2 years**

This levy continues our ability to attract and retain highly qualified staff, textbooks, technology, musical instruments, building security needs, and a portion of the lawful expenses of maintaining and operating the schools of the District. This levy will require a simple voter majority of greater than 50%.

**Plant Facilities Levy = $700,000.00 per year for 10 years.**

The expiring plant facility levy was for $828,253.00, and the School Board has levied $300,000.00 of that for the past 2 years. The plan is to continue at that amount until the bond levy expires (2023). This levy will require a voter majority of +55% approval.
